HEALTH & SANITATION CERTIFICATE

It is to certify that Star International School, Gondia located at MIET CAMPUS, Kudwa, Gondia run by Gondia Education Society, Gondia is recognized by the state Government.

On all the floors, RO water purifiers are installed and servicing is done on regular basis, There are separate urinals for girls and boys which are more than sufficient for the existing number of students, all urinals cleaned thrice a day as housekeeping department is appointed for the cleaning. The campus is clean, airy and surrounded with greenery. As it is full of lush green trees the fresh oxygen is available for students. Regular medical checkup of students are also done. So it is healthy. Hence it is certified that the campus of SIS is healthy & hygienic and best place to study.
